Suggestions to New Entrants

The main advice we give to new entrants is “have a go”. Find classes that sound suitable, make sure you enter what is asked for and display it as stated or in a favourable way. Flowers should be in a vase unless otherwise stated and pots or baskets should be the size stated. Vegetables need to be clean and of a similar size. Onions are normally tied off at the top with raffia for display. Any questions please telephone Pat Rofe, the Entries Secretary, who will try to help.

Section 4 - The Primary Schools Cup and Allied Competitions

In 2009, the Society's 125th Anniversary Year, stronger links were created with the three primary schools in Stoke Poges, Wexham and Fulmer, with the aim of promoting and encouraging gardening for their pupils. All three schools have excellent gardens and grow fruit, vegetables and flowers with the active participation of their pupils. Each year, the judging criteria for the cup are agreed by representatives of the Society and the schools. For 2017, each school has been challenged to grow the tallest sunflower and to grow the heaviest amount of potatoes in a growbag. The theme for the gardens this year is 'Children's Books' with the added challenge of creating a Celebrity Scarecrow of a children's book character.
